

Jesse Neff

San Diego Area, CA | (000) 000-0000 | jesse.neff@example.com
linkedin.com/in/jesseneff | U.S. Citizen

Computer Science Student specializing in Systems Programming

Education

Western Governors University
B.S. in Software Engineering

Online
Expected August 2027

Palomar College
A.S. in Computer Science

San Marcos, CA
July 2026

- **GPA: 4.0 (Core Coursework)**
- Focus areas: Data Structures, Artificial Intelligence, and Machine Organization.

Technical Skills

Language Experience: C++, C#, Python, Java, ARM32 Assembly, JavaScript/TypeScript

Core Aptitudes: Artificial Intelligence, Robotics, Algorithms, Web Development

Engineering Skills: SOLID Principles, Static Code Analysis, CI/CD, Software Debugging

Academic Highlights

Data Structures

Optimized linked lists, stacks, and trees with a focus on Big-O efficiency for large-scale software systems.

Grade: A

C++/Object-Oriented Programming

Mastered inheritance and polymorphism. Implemented modular design patterns to ensure code scalability.

Grade: A

Machine Organization & Assembly

Gained low-level expertise in memory management and registers; vital for hardware-integrated software.

Grade: A

Intro to Artificial Intelligence

Developed search algorithms and logic-based problem-solving agents for complex computational tasks.

Grade: A

Experience

Harrah's Resort & Casino
Table Games Dealer

Valley Center, CA
2019 – Present

- Managed complex procedural workflows and high-stakes financial transactions with 100% accuracy.
- Maintained strict adherence to regulatory documentation and security protocols.
- Collaborated with diverse teams to ensure seamless operations in a fast-paced environment.
- Effectively communicated technical rules and procedures to a wide range of individuals.

Projects & Technical Focus

- **Automation:** Scripted data validation tools in C++ and Python to eliminate manual entry errors.
- **Cloud/DevOps:** Academic exploration into Docker and containerization for cloud-native applications.

Interests

Advanced Weight Training • American Indian Studies • U.S. History • Music
